GCC INTERNATIONAL SCHOOL  
Future begins here...

## Our Words

GCC International School feels delighted to announce that our first bi-annual INDICIUM for the year 2018 is published. Our INDICIUM exhibits the inventiveness of our students along with various edifying activities conducted in school. We request the parents to take a glance and share their valuable feedback on Face book.

## Bridge Course

Bridge course was especially designed to provide systematic training to develop pupils' generic skills, including communication, problem-solving, self-management, self-learning, independent thinking, creativity .

## Practice Based Learning

It is necessary for programs to define the specific knowledge, skills and attitudes required, as well as provide educational experiences as needed in order for their residents and fellows to demonstrate competency in the area of Practice Based Learning and Improvement.

## Nature Based Learning

Exploring the natural world with teachers who are planning that navigation is wonderful for children's brain development.”  
Outdoor classrooms and other nature-based learning experiences boost academic performance of the student.

# Teaching Mantras

## Experiment Based Learning

Activity-based learning describes a range of pedagogical approaches to teaching. Its core premises include the requirement that learning should be based on doing some hands-on experiments and activities.
